

STOCKPORT 061 MOTOR CLUB AWARDS 2009

Each year, at the Annual Dinner Dance, S061MC present the awards for the previous years championships. And so, the 2009 awards will be given to those who have put themselves up to be tested against their peers and who have triumphed!

In addition, the S061MC Committee has several secret awards to give out, all of which are decided by the Committee. Notwithstanding that these are the Committee's awards they value the views of the membership and indeed look to the members to nominate suitable candidates. We are adopting the same system as previous years - where only the Chairman himself will know the winners up to the point when they are presented.

So, fellow members, the Committee respectfully request that you put pen to paper and complete the attached nominations form for 2009 and send (Rob Yates, Meadow Farm, Beech Lane, Dove Holes, Buxton, SK17 8DJ) or give it to the Chairman by no later than **31st January 2010**. Please add any details in the process together with any anecdotes or humorous moments worthy of note!
